# Do your part

Please follow UBC Campus Rules to keep our community safe.

- Please ensure **no more than one person** is using the printer at a time.

- Maintain physical distance (2 metres apart) as much as possible.

- Non-medical masks are required in common indoor areas on campus.

- Please use hand sanitizer pre & post printing.

- The printer surface can be occasionally wiped down with a 70/30 alcohol-based **wipe** for use on electronics.

- Please **avoid** the following as **significant damage** will occur to the printer surfaces and control panel:
  - Spray disinfectants.
  - Lysol or other antibacterial wipes other than 70%+ alcohol content.
  - Use of pens, stylus or other objects to push on the screen.
