

How to change your scroll wheel direction from the default

You can use the instructions below if you'd like to change your Mouse and/or Trackpad scroll direction.

Quick Version:

1. Select the Mac icon (in the top left corner)
2. Select System Preferences
3. Click on Mouse and/or Trackpad (both need to be changed if you want the trackpad and mouse to behave the same)
4. For the Trackpad, select the "Scroll & Zoom" tab
5. Uncheck "Scroll direction: Natural"
