

How can I find the status of a Xerox printer repair?

Article Number: 840 | Last Updated: Mon, Mar 12, 2018 at 10:42 AM

If a support call to Xerox has been made you can check the status of the repair by going to this link:

[xerox.ca/repairstatus](https://www.xerox.ca/repairstatus)

Put in the serial number of the printer (located on front) and the postal code of the University V1V 1V7.

This will show you the repair status.
